Given with Purchases of Larkin Products

The immense popularity of Larkin Premiums is easily explained.

First, they are all given with purchases of household necessities—not luxuries, but necessities.

Second, the value of the articles given with small purchases is so great that the offers are irresistible. For example, see the offer below of Mirror No. V250 given with a \$10 purchase.

Third, the quality of both Products and Premiums is irreproachable. They are their own best advertisement.

FACTORIES AND GENERAL OFFICES,

Dear Madam:

One of the great pleasures of this business is giving our friends, old and new, the latest Larkin Catalog. For we know that to the two million or more families who have dealt with us for years, it means a series of delightful surprises as they see the new Products and Premiums and read our newest offers. And to the new friends -- those who have not dealt with us -- we know it means a glimpse into a promised land which they scarcely realized could exist.

"Larkin" has long been a household word, and Larkin customers everywhere spread the news of Larkin double-value and satisfaction-giving. Yet we wonder if you know just why the Larkin Plan can give you so much greater value than stores can give, or why, if you are already dealing with us, it would pay you to buy even more from us than you do now?

The Larkin Plan is a very simple common-sense one. Instead of selling the household supplies made in the great Larkin Factories, first to a sales agent, who in turn would sell them to a wholesaler, who in turn would sell them to a storekeeper, who in turn would sell them to you -- each adding his expenses and profits to the price of the goods -- instead of all this, we sell them direct to you, saving you all this unnecessary expense and giving it to you in the form of a Premium.

Hence, when you buy \$10 worth of household supplies from us you get not only the \$10 worth of supplies but a Premium in addition, which itself is worth \$8 or \$10. This makes, altogether, \$18 to \$20 worth of store-value for only \$10 in money -- just because you save the middleman expense by dealing direct with our great factories. A big gain when you stop to think, now isn't it?

Our household supplies -- the Larkin Products -- are shown on pages 9 to 43. Look them over carefully -- they are the very same articles which you buy day in and day out at the stores, only we go a step further than the storekeeper and guarantee them to satisfy you or your money back. Nowhere else is it possible for families to buy such a wide range of necessities from the factory.

Our Premiums are shown on pages 45 to 179 and you need but to glance at the many attractive offers to see that

(Over)

they include almost everything you need in your home. In fact many of our customers have furnished their entire homes with Larkin Premiums, and it is safe to say that you yourself can think of at least a dozen homes in which Larkin Premiums constitute an important part of the furnishings.

What Larkin letter could be written without telling about the Club-of-Ten! When someone awhile ago asked a noted preacher to what Clubs he belonged, he replied, "I don't belong to any myself, but my wife belongs to a Larkin Club-of-Ten!" Probably you know all about this popular co-operative Club Plan of dealing with Larkin Co., but if you don't, turn to page 3 and read all about it. Read too, on page 4 how you can earn Larkin Premiums by running a Club yourself. Over a hundred thousand of our customers are doing this and finding it not only a profit but a pleasure.

Of course, we are giving you this Catalog in the hope that, if you are not already a Larkin customer, you will speedily become one. Indeed, when one considers the big extra value you can get from us -- the handsome durable Premiums you can obtain without cost, simply by buying a few of your necessary household supplies direct from our great factories instead of at the stores--one wonders how you could help joining the "great Larkin family" and enjoying these exceptional benefits.

Our suggestion to you therefore, is that you look over the Premium pages of this Catalog, pick out some Premium you'd like to have and note the amount of Products you need to buy to get that Premium without cost. Then turn to the pages of Products and see what a useful, helpful assortment of daily necessities you can select to make up that amount. The result is sure to surprise you. You'll find dozens and dozens of supplies you need, and can buy from us right along, getting Premiums with every purchase. Like thousands of others making their first acquaintance with the Larkin Plan, the thought is sure to strike you, "Why didn't I know about this before?"

This Catalog is now yours to use as you see fit. We hope it will be a big help to you. We know it will be, if you take advantage of the various plans and the many attractive offers described herein.

Yours respectfully,

LARKIN CO.

The Larkin Plan of Factory-to-Family Direct Dealing

The money
that stocks your
pantry will also
furnish your
home.

IN this Catalog are nearly 600 Larkin Products for the home, each of the best quality in its class. Buy these from Larkin Co. at the usual store-prices for similar supplies and you get **IN ADDITION** your choice of Premiums given with the amount of Products you buy. **You pay only the price of the Products; you get both Products and Premium.**

The prices the stores charge for many things are two to three times the prices the manufacturers get for them. Store-prices are high because the stores, the wholesalers selling the stores and the jobbers selling the wholesalers, must make a profit and enough more to pay rent, clerk-hire, salesmen, losses and other expenses. When you buy your every-day supplies from the Larkin Factories, **for every dollar you pay us you really save a dollar, for you receive nearly or quite another dollar's worth of Premiums.**

How to Order Larkin Products and Premiums

1. Larkin Products are all described on pages 9 to 43; Larkin Premiums on pages 45 to 178. The index of Premiums is on page 180—the last white page. An Order Blank comes with this Catalog and more will be sent on request.
2. In the offer of each Premium is stated the amount of Products with which the Premium is given. If you want the goods shipped by freight, be sure to order as much as \$10 worth of Products, because that is the smallest quantity economically shipped by freight.
3. If you want 30 days' credit, **see our unparalleled Credit Offer, next page.** Or, by paying cash, you will obtain the Present for Cash, offered on next page also.
4. If \$10 worth for your own use seems more than you want at first, ask some of your neighbors to join you, send cash with the order, and **we will reward you** for introducing our Products to your friends, as described on page 5.
5. You may order Products alone (without Premiums) for one-half their Catalog-prices. This gives you \$2 worth, store value, for \$1.
6. Send money by postal or express money-order, or your own check, or that of some neighboring merchant; or send cash in a registered letter.

How to Order Goods on 30 Days' Credit

Our Unequalled Free Trial Offer

7. We make the following offer to all people to whom their home merchant would give like credit:

We will send you any Larkin Products amounting to \$10 and any Premium Merchandise offered in this Catalog as given therewith—all of your selecting—total cost to you \$10. *Do not send any money in advance.* Keep the goods for thirty days. Try any or all of them. You will find that you never had better goods—seldom their equals—although you paid as much and received no factory-to-family saving in Premiums.

When the 30 days end, and you are entirely satisfied, you pay the bill. If you can not say that—with the Premium—the goods give you nearly double retail value, we will cheerfully take back the unused portions and refund the freight- and delivery- charges you paid. You need not pay anything for the quantities used in a reasonable trial. You need make no explanations or excuses. There will be no discussion. You need only say that you want us to remove the goods.

There is only one reason for this offer. *We* know Larkin value and Larkin quality and we want *you* also to know it. *We* want you to know what *we* and two million perfectly satisfied regular customers know about the value

and quality *you* can get through the Larkin Plan. Turn now to page 9 where the list of Products begins and then to the Premiums commencing on page 45. Just fill in your order on the Order Blank and mail it. The goods are shipped to you upon receipt of your order. Order today. We take all risks.

How to Obtain a Present for Cash with Your Order

8. By sending cash in full with your order, you can obtain the Present for Cash which consists of 50¢ worth of Products for every \$10 worth ordered. This Present for Cash may be of your own selection and included in

your order. Thus, if your order includes \$10 worth of Products you may select 50¢ worth of Products free; if your order includes \$20 worth you may select \$1 worth free, etc.

How to Obtain Larkin Coupons, Good for Premiums

On request we furnish books in which to paste the Coupons.

9. Each Coupon entitles the holder to the Premium-value given with a 5¢ purchase of Products.

Users of Larkin Products often find it convenient to take Coupons instead of Premiums, with their purchases of Products. When you do this you get exactly the same value in Coupons as you would in Premiums and the Coupons may be accumulated and later exchanged for Premiums at any time.

For example, suppose your order for Products amounts to more than is required to secure the Premium you select. Order as many Products as you can use and ask for Coupons for the extra amount of the Premium-value due you.

Or, suppose you want to accumulate the entire Premium-value due you for *several* orders for Products so as to secure one of the more valuable Premiums. Then ask for Coupons instead of Premiums with each order until you have enough Coupons to secure the Premium desired. The finest articles in this Catalog are thus within the reach of all.

Coupons are also given, as Rewards for Sales Services, described on pages 4 and 5. Earners of Rewards may, if preferred, take Coupons instead of Premiums as their Rewards.

When Coupons amounting to \$2 or \$10 are due, unless otherwise requested, they are issued in the form of Coupon Certificates. Keep your Coupons as you would money. Duplicate Coupons can not be issued if the originals are lost.

Get the Coupon habit. You will find it a fascinating one that will fill your home with comforts which perhaps you couldn't otherwise afford.

The Larkin Club-of-Ten—The Most Popular Development of the Larkin Plan.

What the Larkin Club-of-Ten Is

10. The Club-of-Ten is a banding together of ten or more persons to send ten orders for Larkin Products for the home. Each Member agrees to take in each of ten orders at least \$1 worth of Products. Orders may

be sent as often as agreed by Members and Secretary. Each Member receives with ten \$1 purchases the same value in Products and Premium Merchandise as buyers of \$10 worth at one time receive.

Each Member Receives Premium Merchandise

11. Each Member receives Premium Merchandise once during the series of ten orders. At the beginning, the Members decide, by drawing lots or otherwise, with which order each will receive her Premium. For example: Mrs. A. might receive the Premium with the first order, Mrs. B. with the second, etc.

When it is your turn to receive the Premium, you select as much Premium Merchandise as your total

purchases of Products in the Club entitle you to. For example:—If your regular share in the Club is \$1, making your total purchases in the ten orders, \$10, you may select any Premium that is offered with a \$10 purchase of Products. If you want more Premium Merchandise, you can get the extra amount by ordering additional Products, or by paying cash, as explained on page 7.

The More Products You Order the More Premiums You Get

12. Your purchases of Products in a Club-of-Ten are not limited to your regular Club share. You may add any amount of additional Products to your orders and with the additional Products you will receive Coupons which may be exchanged at any time for Premium Merchandise.

For example:—If your regular Club share is only

\$1, don't feel that you are limited to \$1. You can easily order \$2 or \$3 worth—any amount—from the list of nearly 600 Products for the home and by so doing, you will double or triple the amount of Premium Merchandise obtained.

Or, if you prefer, you may order the additional Products, *without* Coupons, at *one-half* Catalog-prices.

Join a Club by All Means

13. If you feel that you do not need \$10 worth of Products at one time, by all means join a Larkin Club-of-Ten. Over one million housewives are adding to their home furnishings and personal comforts by means of the Larkin Club-of-Ten, without adding to their

expenses at all. Any Secretary will be glad to have you join her Club. If you cannot find a Larkin Club-of-Ten to join, conduct one yourself. It will pay you well. Read on page 5 about the liberal Rewards given to Club Secretaries.

How to Earn Rewards by Conducting a Club-of-Ten

14. The Organizer of a Club-of-Ten Acts as its Secretary and is Well Rewarded. Over one hundred thousand women in the United States are conducting Larkin Clubs and earning the Rewards described in lower half of next page. Married and unmarried women engage in the work, because it offers a convenient opportunity to use spare minutes profitably while spreading among friends the benefits of factory-to-family dealing.

First, Talk the Plan Over with a Friend.

Both Reward and Present for Cash belong to the Secretary—not to the Members. They are her compensation for combining and sending the assembled orders of the Members. No Member will object to her receiving them, especially as any Member may herself organize and conduct a Club-of-Ten and obtain similar Rewards.

If the Secretary is also a Member of the Club, she receives, in addition to the Reward and Present for Cash, all the benefits of a Club-Member as described on page 3.

15. How to Begin. The many advantages of belonging to a Club-of-Ten are explained on page 3. Read that page over carefully and take the Catalog with you when you start to get your Members.

First talk the plan over with a friend that you feel will most likely be interested. After enlisting her, try some one else—one of her friends, perhaps, or some one you know yourself. You will be surprised to find how quickly you will gain confidence when once you begin to acquire Members. Keep in mind that besides what you will gain yourself, you are actually helping your friends and neighbors to make their homes more complete without expense.

16. How to Organize. The organization is completed by having each one of your ten Members sign the Club-of-Ten Members' Agreement-form shown on page 181. Send this to us with the first order. Please see that the names and addresses can be easily read. When the Club is re-organized after each series of ten orders, a new Club-of-Ten Agreement must be sent.

You need not necessarily belong to the Club, yourself. Many Secretaries conduct several Clubs at a time and do not belong to all. Most Secretaries, however, prefer to belong to the Clubs as by so doing they obtain all the advantages of Club-Members in addition to the Secretary's Rewards.

17. How to Assemble Members' Orders. At the beginning the Club should set the days of the month when the Club-orders will be sent to Larkin

Co. Also who shall receive Premium Merchandise with the first order, who with the second order, and so on, should be determined in advance, either by "drawing lots" or otherwise. On each day agreed upon each Member will give you her order for Products and the money to pay for them. As Club business is cash, *no credit should be granted.* The Members' orders should be combined into one order on our regular Order Blank, which should then be mailed to Larkin Co. Keep each Member's order-slip until the goods arrive so you will be able to check the goods with the order-slips.

18. How Freight - Charges Are Distributed. The Member who receives the Premium Merchandise must pay the freight- and delivery-charges on Premiums and Products.

19. How Your Rewards are Increased by Members Ordering Additional Products. In addition to their agreed Club share, Members may purchase Products in any quantity and with each added 5c worth of Products will receive a Coupon. These Coupons may be exchanged later for any Premium Merchandise. Encourage your Members to order additional Products in this way. They can easily do so from the long list of Larkin Products. Show them how unwise it is to pay full retail prices at the store when for the same money they can get similar articles

Let Your Friend Suggest the Next Member.

from Larkin Co. and Coupons besides. Additional Products ordered in this way by the Members will increase your Rewards and Presents for Cash proportionately.

20. How Members May Get Additional Premium Merchandise. If the Premium Merchandise selected by the Member is more than her total purchases of Products entitle her to, without charge, she can pay the extra cost in cash or Coupons. How to determine the total cost of any varying amounts of Products and Premium Merchandise is fully explained on page 7.

21. How the Social Side May Be Developed. The social value and popularity of the Club will be increased by occasional entertainments.

To foster this type of club life, we supply on request a folder of Entertainment Suggestions. The programs outlined therein are informal, entertaining, very inexpensive, and require little preparation.

Have Your Members Sign the Agreement-Form on Page 181

22. How New Members May Join at Any Time. Do not limit your Club to ten Members. Let new Members join at any time. Simply add their orders to the regular Club-orders and ask for Coupons. These they can exchange at any time for Premium Merchandise or Products. You will be rewarded for the orders of these additional Members just as you are for those of the regular Members. *The more Members, the greater the Reward.*

23. How Members May Withdraw. If a Member finds it necessary to withdraw, the Club may be continued by securing a substitute for the withdrawing Member. The Secretary should write promptly for directions, giving us full information.

24. How Larkin Co. Regards Your Club. Although Larkin Co. welcomes the organization of Clubs-of-Ten, it must be clearly understood that they are private organizations. Larkin Co. can not take part in a Club and must be excused from all responsibility for details. Members arrange these themselves. We treat every Club-order received as a separate transaction. This prevents confusion.

25. How We Help You Form and Conduct Your Club. If you want copies of this Catalog to distribute among Club-Members, we will pack the number requested with your order. Please give them only to those who will use and appreciate them.

On request we will gladly tell you how we assist prospective Secretaries in other ways to form Clubs-of-Ten, sending you a helpful book, entitled

"The Larkin Club-of-Ten,"

which explains again the entire Club-of-Ten plan, tells how to form and to conduct a Club, and shows what Secretaries have accomplished in this and other ways. This book will prove of utmost value to you in forming a Club-of-Ten. You can request it on the Order Blank, or send us a postal card and we will mail the book to you immediately.

To assist Secretaries in conducting Clubs easily, without confusion or mistakes, we furnish free Members' Order-Books, each containing a complete Price-List of Products, and ten Order-Slips for Members' use in ordering Products from the Secretary. Request these on our Order Blank.

Your Club-of-Ten is Quickly Formed.

Every Secretary of a Larkin Club-of-Ten receives our monthly magazine, *"The Larkin Idea."*

This little magazine is filled with the announcements of all additions to the list of Larkin Products and Premiums and other items of interest to Clubs-of-Ten.

How to Earn Rewards by Two Other Sales Services

26. Sending A Neighborhood Order. A Neighborhood Order is an order obtained by anyone for Products to be distributed among ten or more families whose names and addresses will be furnished us on request.

If \$10 worth of Products (the smallest quantity it is economical to have shipped by freight) is more than you want at one time for your own use, make up and send us a Neighborhood Order. With nearly 600 Larkin Products for the home to choose from, each of your friends and neighbors will find many Products they need and your order will be quickly made up.

If you send cash with your order, besides the Products and Premium, you will receive the Reward for Sales Service described below and the Present for Cash described on page 2.

If you wish, you may order the goods on 30 days' credit (see our Credit Offer on page 2) but you will then receive no Reward or Present for Cash.

If you wish to share the Premium-value with your friends, ask for Coupons instead of Premiums on

the Order Blank and give each of your friends one 5c Coupon for each 5c worth of Products ordered. This kind of an order is often called a "Coupon-Club Order."

Orders from Neighbors Are Easily Obtained.

Children as well as grown-ups can easily get up Neighborhood Orders and obtain any of the fine Premiums described in this Catalog. It only takes a little work after school or Saturdays to get together a \$10 order and obtain a fine Writing-Desk, Camera, Sweater or any of the Premiums. Boys and girls need have no hesitation in asking their friends for orders for our high-grade Products, because they are all necessities which their friends must have,

and for which they are now paying prices no less than ours. Getting up Neighborhood Orders is a fine business training in salesmanship for either a boy or a girl.

27. Sending a Recommended Order. This is an order obtained by an old customer from a new customer. An "old customer" is anyone who has ever made a \$10 purchase from us, either directly or as a Club - Member. By "new customer" is meant a member of a family of which no member has ever received a shipment from us.

If you are an old customer you have probably frequently observed the astonishment of your friends at the extraordinary value of the Premiums which you have received by the Larkin Plan. They, too, would like to order Larkin Products and obtain similar Premiums if they could be assured of the high quality of Larkin Products. You, as an old customer, know the worth of Larkin Products. You will be doing your friends a real service by introducing Larkin Dealing to them. By signing a new customer's order in space 2 of the Order Blank, you can obtain the Reward described below.

Rewards for Sending Club-of-Ten, Neighborhood or Recommended Orders.

28. Rewards are at the rate of ONE-FIFTH the money paid for Products.

Where to Send Orders. Freight- and Parcel-Post-Charges

30. Freight-charges are paid by customer on arrival of goods. Freight-charges on Larkin goods, however, are always small compared to the large Premium-value gained by Larkin Factory-to-Family Dealing.

Often the Present for Cash (see page 2) amounts to as much or more than the freight-charges. The amounts printed on the map below will give you some idea of what your freight-charges will be. It always pays to order as much as 100 pounds if possible as the freight-charges on 100 pounds are seldom more than on 25, 50 or 75 pounds.

Customers served by our Chicago and Peoria, Ill. Headquarters (see map below) pay freight-charges from Chicago or Peoria only. Our customers in the far West save as much as those in Western New York. No matter in what part of the country you live, we can serve you greatly to your advantage.

As soon as the freight-agent notifies you that your goods have arrived, see that they are promptly removed. The Railroads charge for storage 48 hours after notice of arrival has been mailed.

If You Live in Any Other State

When the goods ordered weigh less than 10 lbs., tell your postmaster what the weight is and he will tell you the amount of postage required from Buffalo, Peoria or Chicago.

When the goods ordered weigh 10 lbs. or over, but less than 20 lbs., if you live in any other state than those named, you will save money by directing on the Order Blank that the goods be shipped by express, sending no postage. Express charges will be collected on delivery.

When the goods ordered weigh 20 lbs. or more, it will be much to your advantage to increase the order to \$10 worth and have it sent by freight.

Parcel Post a Big Convenience for Small Orders

Although the most economical way to order Larkin goods is in quantities of \$10 or more by freight, yet you may frequently find the Parcel Post a great convenience. You may wish to sample some of the lighter Larkin Products, paying one-half the Catalog-prices or perhaps you have Coupons which you wish to exchange for some of the lighter Premiums without waiting for your next freight order.

When you want goods delivered by Parcel Post be sure to enclose postage (unless the goods are offered mailed postpaid.)

If the goods weigh over 20 pounds, tell your postmaster the weight and he will tell you the postage from Buffalo, Chicago or Peoria.

When You Want Other Quantities of Products Than the Amounts Named in the Premium Offers

32. Should you order *more* Products or *less* Products than the amount named in the offer of the Premium selected, you can determine how much to pay by adding one-half the amount of *all* the Products you order to one-half the amount named in the offer of the Premium:

Example No. 1; Piano Bench 155, and \$14 worth of Products cost \$12.50, figured thus:

One-half of \$14 worth of Products is. . . \$7.00

One-half of amount named in offer of

Bench 155 is. 5.50

Total amount to send. \$12.50

Example No. 2; The Bench and \$10 worth of Products cost \$10.50, thus:

One-half of \$10 worth of Products is. . . \$5.00

One-half of the amount named in offer

of Bench 155 is. \$5.50

Total amount to send. \$10.50

Other Facts About Larkin Dealing

33. European War Affects Larkin Offers Very Little.

Fortunately, our business is little affected by the European struggle. Except for the comparatively few items which are imported wholly or in part from abroad we expect to fill orders as usual, maintaining present prices as far as possible. Our offers, however, are subject to withdrawal without notice. This is the first time in the history of our business that we have been obliged to qualify our offers in this way. It is our earnest hope that an early end to the war will enable us to withdraw this qualification in the next edition of our Catalog, and to employ it but little during this one.

34. Products and Premiums Usually Shipped Together.

Unless Premiums are offered *mailed postpaid* or *shipped direct from the factory*, Products and Premiums (including mailable articles) are shipped together, to reduce charges. With some exceptions goods are shipped the first or second day after we receive your order. As explained on page 100, some of the heavier Premiums are shipped direct from the factory where made, to save cost of handling, freight-charges, etc.

35. We Adjust All Claims for Breakages and Shortages.

If, despite our care in packing, any breakage or shortage should be discovered before goods are taken from depot, do not accept the article damaged until a full statement of damage, or a note of what is missing, is *endorsed* upon the freight-bill by *R. R. agent*. If after receipt of the goods at your home any breakage or shortage is found, report it if possible within twenty-four hours to the *R. R. agent*, either personally or by letter. Send endorsed freight-bill and copy of any such letter to us at once. We need this information to trace "shortages," or duplicate anything "missing." *We will immediately adjust the claim with perfect fairness to you.* If *R. R. company* overcharged you, we will refund the overcharge upon receipt of your freight-bill. Do not fail to send this. Until received we can not send you a refund.

36. Report Breakage Before Incurring Repair Bill.

We can not recognize a bill for repairs which were made *without* our authority. Report to us any breakage or injury to goods in transit and rely upon our prompt attention and fair treatment. Do not incur any cost unless you *first* receive our consent.

37. Get Shipping Instructions Before Returning Goods.

Never return any goods until you have written for and *received* our instructions. We might want to send them to a point near you. Nothing will suffer by waiting a few days. If there be any dissatisfaction over articles, notify us without fail within a reasonable time, say not later than thirty days after receipt of the article, or as soon as defect is known, if later.

38. Terms for Foreign Shipments.

Goods are shipped to Alaska, Canada and Hawaii, from our factory at Buffalo. Goods for other *foreign countries* are shipped in bond free on board cars at our Branch in Philadelphia, Pa. On all foreign orders to be shipped from Philadelphia, add 12½ per cent. of net price to cover freight-charges from Buffalo to Philadelphia, and the cost of *extra* packing. Merchandise for Canada, or foreign countries, always travels *with* the Products, to avert increased freight-charges and handling.

39. When Referring to Order, Give Full Information.

If you need to refer to orders previously sent, to insure *prompt* reply, please give the following information:

(1) *Full name* and address of the person to whom the goods were to be sent (exactly as these appeared in the original order).

(2) *Date* when you mailed the order to us.

(3) *Names* of all Premiums ordered.

If you can not tell exactly, give the fullest information possible. You can get this from the copy you made when you sent the original order.

40. You Need No License to Send Orders to Us.

It is illegal for you to be taxed or forced to take out a license because you send us orders for *your own* use, or on account of your connection with a Larkin Club, as long as you take orders for future delivery to neighbors. Without expense to *you*, we hereby guarantee to *protect* you from financial loss by reason of any demand—if it be made—upon you, for the payment of a tax or license, on the ground of your dealing with *us*.

If any one attempts to collect any license-fee or tax or interferes with you in conducting your Club, write us immediately, giving name, address and full particulars.

41. Not Acknowledging Orders Averts a Needless Waste.

To acknowledge a million orders, even by a post-card, would cost \$10,000 simply for the cards. Having over two million of customers, *we do not acknowledge receipt of orders*. Thus one waste is averted. The mails are so safe that you can rely upon your letter reaching us.

42. Avoid Dealing With Unauthorized Persons.

No offers are made and no inducements are given by us, *unless contained in our printed matter*. Avoid dealing with strangers who offer *anything as from Larkin, not contained therein*. We do not authorize traveling solicitors to *collect money*. All money should be sent by mail direct to our office. Strangers who in our name demand money *in advance* probably are *impostors*. For safety's sake, ignore them. If you will report the cases to the police, you will do your community a service.

43. Goods Offered in Former Catalogs.

Although this Catalog cancels all previous ones, *nearly all goods offered in the last previous Catalog can still be furnished*, and also many of those offered in *earlier* editions. Write for what you want. New editions are published on September 1st and March 1st yearly. Copies sent anywhere on request.

MARION HARLAND, the world-famous expert on domestic science and cookery and author of *Common Sense in the Household*, *Marion Harland's Cook Book*, *Story of Canning and Recipes*, *Housekeeper's Week*, etc., did us the honor of paying us a visit. As a result of her inspection of our Products and our factories she states:

"Nowhere is better quality obtainable at any cost.

"It is a pleasure to say that my investigations convinced me that everything here is entitled to highest commendation. The Company conducts its housekeeping in the right way. Everything 'from cellar to garret' is in fine condition. The Larkin Factories are a model plant."

these are very costly. The best perfumes are not necessarily an extravagance, however—as is proved by our quality and prices. The latter, when you consider the Merchandise-Bonus given with purchases of Larkin Products, are actually one-half of the printed amounts, thus bringing these refinements of the toilet within the reach of moderate means.

Larkin Wearing Apparel

These pages show just the garments you want. Our long knowledge of the tastes of two million American women, has enabled us to go into the realm of Dame Fashion and choose the best. The models we illustrate are smart in design, but not extreme. They are becoming in appearance, but not conspicuous. They are long-wearing, good-looking, and thoroughly sensible garments—just the kind you will buy this fall and winter.

The Furs illustrated on this page are a fair sample of the whole of our Wearing-Apparel. Skilled furriers with years of experience in selecting both raw and dressed furs have given these offers a much more rigid scrutiny than you would give them. Special "Larkin" Bargains

Big Reductions on Popular Larkin Premiums

Red-Letter Opportunities for Those Who Order Quickly

Larkin "special bargains" are known everywhere as *unusual values*. They represent amazing opportunities to secure popular Larkin Premiums at startling reductions. As a result Larkin "special bargains" are in great demand by Larkin Customers and are a source of real satisfaction to all who are fortunate enough to secure them. Remember, however, the supply of these bargains is *limited*, and we can fill orders only as long as the goods last.

Only *those* who order *early*, will have the pleasure of securing *their* share of these Larkin Specials. Since the majority of Larkin Catalogs are mailed at practically the same time, the opportunity is offered to all Larkin Customers equally. *Only delay on your part or a failure to order within a reasonably short time* will stand in your way of benefiting by the great reductions on these Larkin Bargains.

As quickly as you select from these pink pages the Premiums which you desire, turn to the Product Pages and make up a Product order of the amount stated in

the Premium offer. If you are a Club-member you can let this order come in as an Excess Order, *with your very next Club-order*. Of course, you will have no difficulty in making good use within your home of sufficient Larkin Products to secure *any desired Premium*. Look over our 600 or more Products and you will be surprised at the wide variety of daily household needs they include. The Soaps may be profitably purchased for future use; indeed Laundry Soap improves with age, and *Larkin Soaps are always a big economy!* Then there is always need in the home for cleaning and laundry supplies, toilet articles and preparations and flavoring extracts, stationery, dry goods notions and sundries. Once you have started to make out your order *it will be merely a question to what amount you intend to limit it*.

However, it is possible that you are already purchasing sufficient Products to supply *all* your needs. If so you will note that we have quoted a special "Bargain Cash Price" with every offer.

Think of Getting Larkin Premiums for Even Less Than Regular Terms!

Yet that is just what you do when you select from these pink pages. Think of getting with a \$5, \$6, or \$7 purchase of Products, articles *regularly given with a \$10 purchase of Products*—Premiums that would sell for from \$8 to \$10 in the stores! Why, your Premium is worth not

only as much, but even more than the Products you buy!

And every offer represents perfect goods only. They are just as high quality as our present regular offers, but are crowded out of the regular pages of the present catalog by other offers.

How to Order

Order these Articles as you would other Larkin Premiums (see Catalog-page 1)

They may be selected as a Premium, or as Reward for Sales Service (if due) with your regular order.

They may be had for Coupons, Certificates or Premium Due-Bills (but not for Product Due-Bills).

Or you may make up a special in-between-times cash order for Products and this Premium Merchandise, or for the Premium Merchandise alone at the "Bargain Cash Price," and mail to us at once. The "Bargain Cash

Price," without Products, is stated in each offer.

All orders shipped by freight must amount to at least \$5 unless shipped with (and in addition to) a *regular* order of \$10 or more.

An order of mailable Products and Premium Merchandise, or Premium Merchandise alone at the "Bargain Cash Price," to be shipped by Parcel Post may amount to less than \$5.

How Goods Are Shipped

Our goods are shipped generally by freight. Many are light-weight articles which may be shipped to you by Parcel Post if you enclose the necessary amount of postage.

Page 6 of the Larkin Catalog fully explains freight and Parcel Post shipments. Be sure to refer to it when sending your orders.

Order Now

Remember, these Special Offers *can not last long*. They are bound to go fast! **No orders can be filled after the supply is exhausted.** So make the best of this opportunity. Order yours *now!* We suggest that you **name a second and third choice.** Thus, you will guard against disappointment in case the stock

of your first choice is out when your order is received.

LARKIN FURNITURE

Complete Furnishings for the Living-Room, Dining-Room, Bedroom, Hall, Kitchen, Laundry
GIVEN WITH PURCHASES OF LARKIN PRODUCTS

Photographing Buffet 20295

All Illustrations Are from Actual Photographs

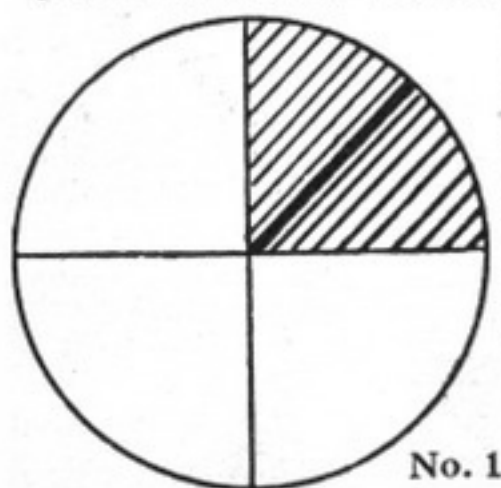

This Catalog is, in effect, a collection of photographs—actual pictures of the articles just as they will look when you get them. It is, however, impossible to do full justice, even by means of the camera, to the beautiful finish of the Furniture—particularly the Colonial pieces—shown on the following pages. Beautiful effects are obtained in genuine Mahogany, Oak, Circassian Walnut, Bird's-eye Maple, etc., which you must see to appreciate.

Woods Are Carefully Selected

The woods used in Larkin Furniture are carefully selected for strength of fiber and beauty in the figured grain. The Oak is from sound close-grained forest-trees cured by natural drying in the open air, which preserves the life of the wood. The Bird's-eye Maple, so handsome in bedroom furniture, is selected from that peculiar variety of maple wood which is full of tiny "burls." The Mahogany comes from the forests of Cuba, and is chosen for color, figure and texture. Circassian Walnut is imported from Russia, and owing to its scarcity is used only as veneer on high-grade pieces.

Quarter-Sawn Oak Much Used

Our illustrations explain the meaning of the words "Quarter-sawn Oak," as used in describing our Furniture offers. Illustration No. 1 shows the log as it is first sawn into four quarters. Each quarter is then bisected from the heart to the bark. See heavy line in upper right quarter of illustration No. 1. Boards are then sawn parallel to the bisected section.

No. 1

A quartered log requires *four times* as much handling as a "plain sawn" log, but it produces the most beautiful American cabinet wood obtainable, since the "veins" running from the heart to the bark are divided and resultant beautiful "markings" revealed, as shown in illustration No. 2.

The words "Selected Quarter-sawn Oak" mean that after a log has been "quartered" each board is carefully examined and only those which show the finest markings are selected.

No. 2

Veneers Used to Strengthen and Beautify

By the use of veneers, which are thin pieces of choice expensive wood laid upon other wood, much more beautiful furniture can be economically made than in any other way. Veneering brings out the wood grain and shows it at its best. The veneers are so solidly joined as to become a part of the core.

This construction is desirable because veneering imparts strength and stability to the furniture. These qualities result from reversing the direction of the grain in the several layers of wood used. There are always three or more layers. The grain of the outside veneers runs one way. The grain of the inside layers alternately runs at right angles to that of the layers next to them. This helps to prevent shrinking, buckling and warping. We use veneer construction on all Larkin Furniture which must be especially strong, from sewing-machine-cabinets to piano-cases. As far as possible we also use veneers even in the lower-cost articles of furniture.

Larkin Furniture Is Durable

MORTISE AND TENON JOINT

blocks keep frames from racking. Accurately-fitted mortise-and-tenon joints fasten posts and rails together. Pin and dowel work fasten rockers to their posts and prevent squeaking. Such parts as drawers are joined by dovetailing, cut to the finest degree of accuracy.

What Measurements Mean to You

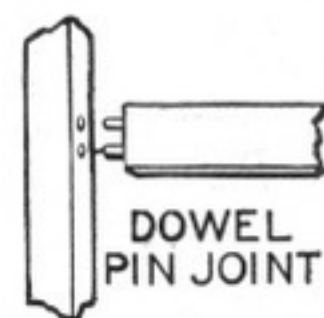

Only the *outside measurements* of furniture are given. These figures tell the space any article requires.

Extra Keys Five Cents Each

A duplicate key for the lock of any piece of furniture will be mailed, postpaid, on receipt of 5 cents. (A locksmith would charge 25 cents.) On ordering, always give the Catalog name and number of the article for which the key is desired.

The Upholstering Is First-Class

In upholstering Larkin Furniture, a stuffing of tow, hair, silk-floss and cotton felt is used, depending on the size of the cushion and the kind of furniture offered. Springs are used wherever needed. Durable coverings are made from both genuine- and fabrikoid-leather as well as attractive fabrics tested for wearing-qualities.

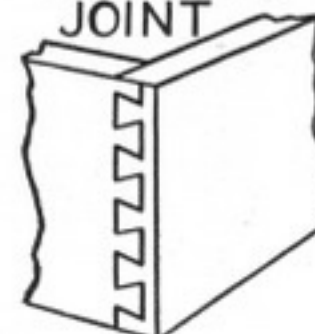

DOWEL PIN JOINT

Shipping Direct From Manufacturers Lessens Cost

Scores of factories located in different parts of the country where leadership in their special line of work has been attained, are engaged in manufacturing Larkin Furniture, etc. To save cost of freight, handling and storage, some of the heavier pieces are shipped direct from the factory to customer's home. We are able to offer these larger articles to customers

DOVETAIL JOINT

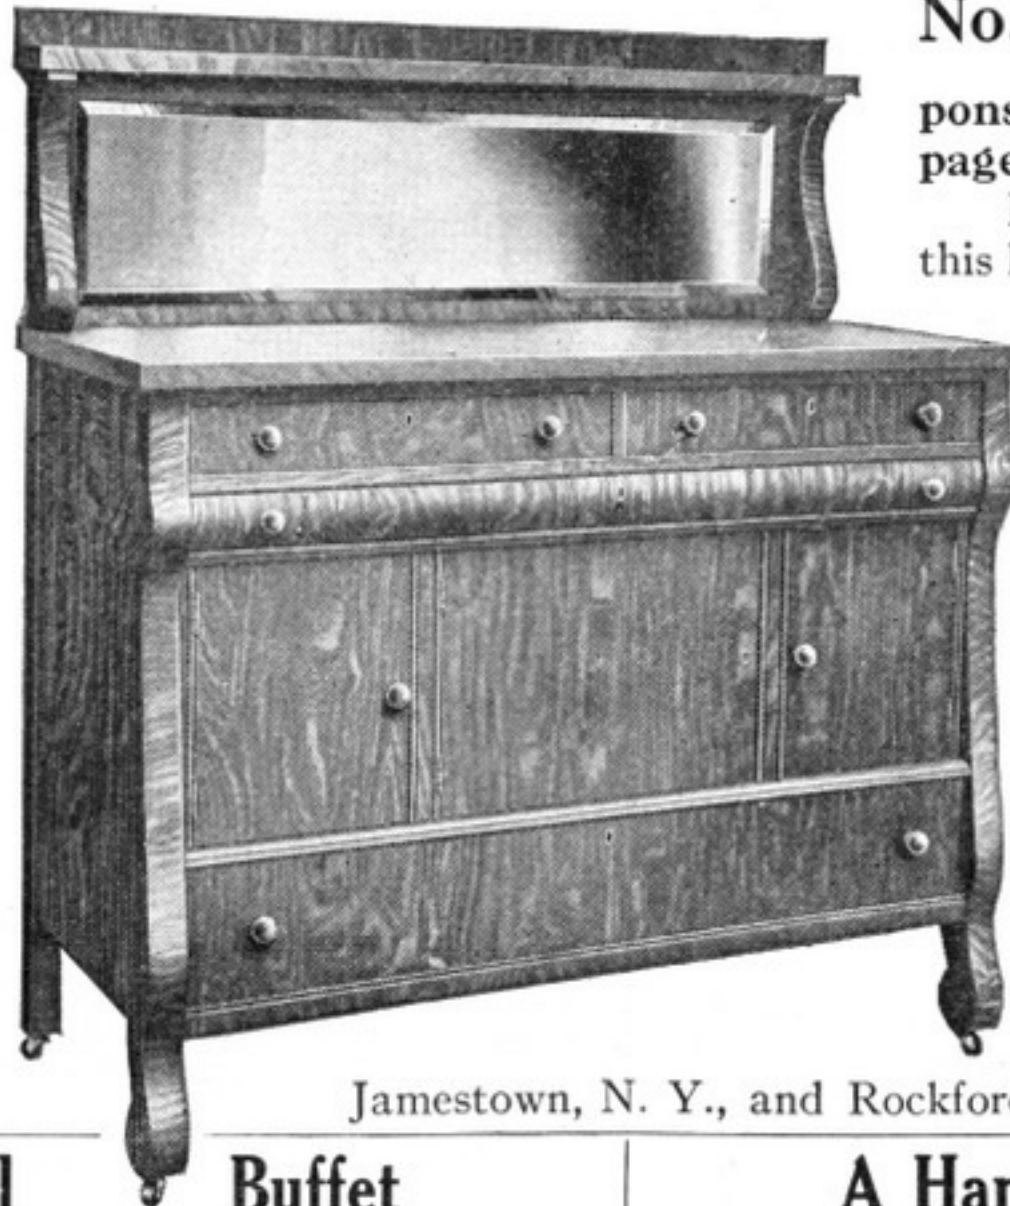

on *more liberal* terms than would be possible if we had to add charges for freight to our warehouses, storage, handling and reshipping from there. The largest and heaviest articles are made in several factories, so that Eastern and Western customers by this plan have the benefit of lower freight-rates than could be had from Buffalo.

To reduce freight-charges still further, many articles are shipped "knocked down," which means "taken apart in sections, so that they may be packed in the smallest possible space." But in every such case the parts are so made that any one can easily and quickly put them together and the finished article is as strong as if assembled at the factory.

Symphonic Pianos

179

Our Plans of Sale permit you to buy in this Symphonic Piano, a \$450 Piano at the low price of \$250. Could you ask a greater triumph for Larkin Factory-to-Family dealing than this?

Low as is this price of \$250 for a \$450 Piano of guaranteed quality, it is only one of the many attractive features of our liberal offers. For no matter how low the price, no matter how high the quality of the instrument, there would still be a host of people who would be unable to pay cash for such a Piano.

It is here that our Plans of Sale exceed in liberality all other Piano plans that may have heretofore been brought to your attention. Under two of our Three Plans of Sale you may buy the Symphonic Piano at the cash price of \$250 and have fifty months

in which to pay for it without interest or rent charge.

Note our Plans of Sale as they are given below; then, send today for the complete Catalog of Musical Instruments.

Three Piano Plans of Sale

Bought on monthly payments under Plan Three—the Sold-Alone Plan, the Symphonic's price is \$300. Terms, \$6 with order, balance \$6 or more monthly. Products and Groceries are not included in this purchase as under Plans One or Two where the Symphonic's cash price, \$250 is secured.

Furnished in Fumed, Golden or Early English Oak, or in Mahogany.

Manufactured in finest quality Circassian Walnut, Figured Spanish Mahogany or Fumed Oak.

Symphonolas

Symphonola customers tell us almost daily that their instruments give them satisfaction equal to that afforded by similar instruments for which their neighbors paid at retail from \$100 to \$200 each.

The verdict of our customers would indicate that buyers of such higher-priced instruments do not gain anything in the shape of better musical instruments, their only gain being a larger cabinet which has no influence on correct or pleasing tone production.

Symphonolas play all Victor and Columbia records, which include thousands of Band, Concert, Operatic, Dance, Sacred, Patriotic selections. Think of being able to entertain in a charming manner on all occasions at slight expense, with the assistance of a Symphonola and a good selection of records. The expense is but a fraction of what it would be to purchase tickets for the concert or the opera, or to engage high-priced talent to give a musicale in your home.

Style B Symphonola pictured on this page will cost you only \$60 under two of our Plans of Sale, or Style A Symphonola, same as Style B without the record cabinet, only \$50. You have a year to pay for Style B or ten months for Style A.

It will pay you to send today for the Musical Instrument Catalog which describes in detail the Symphonola.

Three Symphonola Plans of Sale

Price \$60 With Products

One \$10 order of Products monthly for only 12 months pays for Style B Symphonola. Catalog- or store-prices are paid for Products under this Plan One—The Products Plan.

Price \$60 With Groceries

Once a month for 12 months under Plan Two—the Grocery Plan, you send a \$5 payment on the Symphonola, and a \$5 Grocery order at wholesale prices for which you send cash. Total amount sent monthly, \$10.

Price \$70 Sold Alone

A first payment of \$10 and twelve \$5 monthly payments are the terms under Plan Three—the Sold-Alone Plan. The cash price, \$60, for Style B Symphonola is only secured under Plan One with Products, or Plan Two with Groceries and Home Supplies.

Symphonic Player Pianos

Only by selling the Symphonic Player Piano the Factory-to-Family way with Products or with Groceries is it possible to offer this \$650 instrument at so low a price as \$375 and on monthly payments. Although the monthly payments of \$7.50 are spread over a four-year period, you get the cash price on this instrument which is \$375. For this convenience of easy monthly payments you pay us no interest or rent.

In the Symphonic Player Piano we furnish an instrument fully guaranteed by Larkin Co. and by its celebrated makers, The Knabe Bros. Co., of Cincinnati, Ohio, who were formerly makers of the Wm. Knabe Piano. The Symphonic is an 88-note Player Piano, fully equipped with accurate instantly responsive Expression Controls. Anyone, no matter how unskilled they are musically, may play the most difficult pieces in an entertaining manner on the Symphonic Player Piano—and all without previous practice. Write today for the Musical Instrument Catalog which describes in detail this superior instrument.

Three Player-Piano Plans of Sale

Price \$375 With Products

You can earn the Symphonic as a Premium by using or selling \$15 worth of Larkin Products a month for 50 months. These Products are paid for at catalog-prices under this Plan One—the Products Plan.

Price \$450 Sold Alone

Compared with the Symphonic's retail value of \$650, \$200 is saved at the Sold-Alone Price of \$450 under Plan Three. Terms, \$25 first payment and \$8.50 monthly.

Coupons, Due-Bills, Certificates, accepted at their cash value

Thousands Endorse Larkin Dealing—Read These Letters

To print all that we have received would require untold volumes the size of this Catalog. These few, however, will give you an idea of what Larkin Customers think of Larkin Dealing.

Everything as Represented

You people are the cleanest, most pleasant people to deal with I have seen for some time, and can say honestly everything you have is exactly as you represent.

Mrs. A. H. Kindred, Oklahoma City, Okla.

No One Need Hesitate

I have belonged to a Club for two or three years and I know what your goods are. No one needs to hesitate a moment in recommending your goods or Premiums.

Mrs. Clarence C. Cash, Denver, Col.

Reduces High Cost of Living

My Club-member says Larkin Factory-to-Family Dealing is the greatest help in reducing the high cost of living. Since giving Larkin Products a trial she is fully convinced of the saving and knows Larkin Products and Club Plan are better than other Clubs through which she has dealt.

Mrs. M. M. Hunter, Ben Avon, Pa.

Has Dealt With Us 10 Years

I want to thank you for the many nice Premiums I have received in the past ten years from the Larkin Co. They have been very satisfactory and I like the Products very much. My husband said the other day, "The Larkin folks would feel quite at home here if they visited us, wouldn't they?"

Mrs. Lester Bivins, Coopersville, Mich.

Thoroughly Delighted With Everything

I am exceedingly grateful for your prompt shipment of my Premiums and am thoroughly satisfied, and delighted with everything. Your goods are of superior quality and the promptness and courtesy in filling and shipping orders are really gratifying. I am more than satisfied and shall recommend your Company to all my friends.

Mrs. Marie Bendl, Peabody, Mass.

Thanks Us for Efficient Service

I wish to thank you for your prompt and efficient service in the past as I appreciate it. Everything has been very satisfactory to Club-members as well as myself, and we all appreciate the benefits we derive by trading with Larkin Co.

Mrs. G. A. Greenewald, Denver, Col.

Thinks Products and Premiums Fine

I think your Products and your Premiums are fine. I tell the people here that it is much better to get their Products of Larkin and get a nice Premium than to pay their money to the stores and get nothing. Compared some of your Lemon Extract with some I got at the store here. I had rather have one bottle of your Lemon than two of such as I get here.

Mrs. Silas Bennett, Chestertown, N. Y.

Name Larkin a Guarantee of Purity

It gives me pleasure to testify to the excellence of Larkin Products and the superiority of Larkin Premiums. The name Larkin is a guarantee to us of purity and honesty. One of my Club-members once remarked that her Club-of-Ten orders were the best investment she ever made.

Mrs. R. E. Wilklow, Santa Fe, N. Mex.

Always Sees if Larkin Sells it

We are all very much pleased with Products and Premiums and also with your square dealings. When I need anything I always look to see if Larkin has it. As Club-of-Ten Secretary I have earned a good many Premiums which I am proud of.

Mrs. Richard Douglass, Bessemer, Ala.

Proud to Tell How She Got Go-Cart

I received my Go-Cart and I am more than pleased with it, as I did not expect it would be so nice. Thank you very much. I am proud to tell my friends how I got it.

Mrs. Albert Keideth, Cadott, Wis.

Cannot Say Enough for Larkin

I cannot say enough praise for Larkin Co. and I always persuade others to deal with you.

Mrs. Ernest Peabody, Springfield, Mo.

Better Than She Could Get at Home

Larkin Goods are all right. I have never had a thing but that was far better than I could get at home, and as for the Premiums, my house is nearly furnished with Larkin Premiums. I've had a set of silver Knives and Forks for 10 years and always used them every day. Nearly as good as new yet.

Mrs. Frank Smith, Altmar, N. Y.

Better Than Represented to Be

The Chair arrived in a very short time and the Club-member was delighted with it. She said it was like all other Larkin Premiums, much better than represented to be.

Mrs. Jos. Mudgett, Moscow, Idaho.

Most of Her Furnishings From Larkin

Very much pleased with both the Products and Premiums. I thank you very kindly for your prompt attention to all my orders and assure you I will always speak a good word for Larkin Co. I am a pretty good advertisement, for almost everything in my little home is from Larkin Co.

Mrs. Myrtle B. Herbert, Wyoming, Del.

Put Money in Bank—Paid Way Through School

When I was a little girl about 8 years old I sold the first box of Larkin Soap and received a Writing-Desk. Then I kept it up and received many Premiums. Then I sold Products for cash and before I was 16 years old I had \$100 in the Milan Bank and was paying my own way through high school where I graduated at 18 with \$300 in the Bank.

Mrs. M. D. Knowles, Azalia, Mich.
